SPRINGSUMMER | 2025

On the grow...

As we step into this exciting new season, I can't help but feel the thrill of fresh beginnings and fun opportunities that lie ahead.

One of my favorite times of the year is when I start designing the Spring/Summer catalog. The vibrant colors and designs bring so much joy. I'm particularly excited about the new personalization options that allow each piece to tell its own unique story. I look forward to hearing the wonderful stories that come from these creations throughout the season. And CHARMS, this is another fun way to create your story from the collection of new charms.

Additionally, PermaLinx by jBloom continues to impress me with the growth. The introduction of new chains, charms, and even a permanent bangle enhances this already beloved way to wear jewelry. Whether seeking additional income, a social outlet, or an affordable way to join us, jBloom provides the perfect opportunity.

Thank you for being such a cherished part of our community. Together, let's make this year unforgettable!
